

Yijun Gu, Ph.D.

National Center of Protein Sciences

Shanghai/Zhangjiang Lab

Email: [guyijun@sibcb.ac.cn](mailto:guyijun@sibcb.ac.cn)

#### SUMMARY

- Five years of industrial experience as head of computational chemistry in global pharmaceutical CRO company ChemPartner Co. Ltd. (ranked 2nd in China with 4000 employees)
- Nine years of professional experience in protein crystallography and structure-based drug design
- Five years of experience in protein crystallographic synchrotron beamlines
- Two years of experience in Traditional Chinese Medicine informatics
- Two years of experience of organic synthesis
- Ph.D. in Organic Chemistry/Protein Crystallography

#### 讲座内容：

- 蛋白质晶体学中的晶体生长，使用光源，数据收集，结构解析，精修，检查和提交数据库的过程
